Operation

General safety rules and guidelines:

Read this instruction manuel carefully before operating the wood splitter. The technical data in this manuel also contains important information. Improper use can result in injury and damage to the equipment.

The use of a wood splitter requires a high level of experience and a good knowledge of operation. You must lear to know the behavior of the wood splitter and practice using it. make sure no one is in the operator's working area when in use.

Woody wood splitters are intended for normal use in the agricultural and forestry sectors. They must be used only by persons trained in the handling of this type of machinery.

- Before using your Woody wood splitter, you must read the instruction manual, so as to perfectly control the operation.
- When operating, make sure no bystanders are in the work area. The user must have full visibility of the work area.
- Manipulate the logs by their center to place them on the splitting area, never handle the logs at their extremities, you could accidentally find your hands trapped between the knives and the log.

- When operating, do not insert your hand or any other part of your body into the machine. Do not risk getting stuck between the different parts of the splitter.
- When loading the logs with the log lifter you must keep your eyes on the log lifter to avoid being surprised by the rise of the log.
- Never use the log-loading device during transport.
- To stop the machine, lower the log lifter to a solid surface, turn off the engine, and remove the key from the ignition to prevent unauthorized use.
- The log lifter is not intended for lifting people.

Woody Wood Splitter General Maintenance Instructions

A hydraulic oil change is required only if there is contamination by water, other liquid or another contaminant.

For a hydraulic oil change, use only ISO 32 clear, and remember to change your hydraulic oil filter.

For an engine oil change, use 5W30 oil. Change every two years.

Before use each season

Check your wheel bearing and grease your wheel hubs.

Check the tire pressure 50 lbs psi

Apply grease on the worktable to enable the knife to glide easily without restriction.

Warranty Qualifications

Les Équipements Woody inc. (hereinafter referred to as "Woody") warrants it's products (hereinafter referred to as the "Product" against defects in material or factory workmanship, subject to all the terms and conditions stated herein.

All Products manufactured by Woody and used for domestic purposes (excluding commercial and industrial use) are covered by one (1) year warranty applicable from the purchase date, except in particular cases when the warranty might be modified according to adjustments specified on the sales contract.

The warranty extends only to the original purchaser (hereinafter referred to as the "Buyer") of the Product and not to other purchasers or transferees unless agreed to in writing by Woody that the mechanical and electrical components will be free of defects in material and workmanship for the warranty period. The warranty covers all the parts of the new Product, except the hydraulic hoses, the hydraulic fittings and the electrical wires, and includes the labor performed by Woody or by a Woody authorized dealer (hereinafter referred to as the "Dealer")

Warranty Repair and Replacement Service

All warranted repairs must be performed by Woody or by an authorized Dealer with the written consent of Woody, otherwise the warranty will be voided. Woody reserves the rings to either repair or replace, without cost tu the buyer any part judged defective on grounds of defective materials or workmanship. It also reserves the right to determine if the defect resulted from lack of maintenance or incorrect or abusive use of the Product.

In the event of any failure caused by a defect in material or in factory workmanship covered by this warranty, the Buyer shall: (1) notify Woody of the nature of the problem without delay; (2) stop using or operating the Product, unless authorized in writing by Woody.

Warranty service shall be performed at the point of purchase of the Product either by Woody or by a Dealer using parts provided by Woody.

If the Product was purchased directly from Woody, the Buyer shall return either the Product or the defective parts "prepaid" to Woody without delay. If Woody deems that the parts are in fact defective, it shall repaire or replace the parts and, when the Product is returned to Woody, install them free of charge to the Buyer.

If the Product was purchased from a Dealer, Woody shall provide the replacement parts to the Buyer through the intermediary of the Dealer. The Dealer shall install the parts and return the replaced parts to Woody, "prepaid" by the Buyer, within thirty (30) days of the repairs. The parts and their installation shall be without charge to the Buyer providing that the replaced parts are proven defective to Woody's satisfaction.

No Dealer Warranty

In all cases, all costs related to the transportation of parts or of the Product to and from Woody or the Dealer, any premium charged for overtime labor requested by the Buyer or for any service and/or maintenance shall be the sole responsibility of the Buyer.

All parts replaced under the warranty shall remain the property of Woody.

If the Buyer fails to follow any of the above procedures or if the parts are not proven to be defective to Woody's satisfaction, the Buyer shall not benfit from the warranty.

No Dealer Warranty

The Dealer has no authority to make any representation or promise on behalf of Woody, or to modify the terms or limitations of this warranty in any way.
